New York, N.Y., April 17th, 2024 | Project Gallery is pleased to present *lumierebelge, lineage mayhem.* a solo exhibition featuring 18 works by anonymous Argentinian artist lumierebelge.

"My name is lumierebelge. I'm a 21-year-old independent artist from Argentina. This is a selection of notebook drawings made in the years 2023 and 2024. The materials used are pen, pencils, and notebook paper." -- *lumierebelge*

These intimate drawings, from the notebooks of lumierebelge, present us with hauntingly beautiful scenes through muddled compositions in colored pencil and graphite. Many of these surreal works hold tension in their esoteric forms, creating dreamlike landscapes and portraits. The majority of these works have been completed very recently, over the last two years. This is one of the first exhibitions to present these works as a grouping.

Project Gallery (est. 2020) is an online art gallery based in Brooklyn, which hosts solo exhibitions for artists as well as seasonal juried exhibitions and sponsors a quarterly artist grant.

lumierebelge, lineage mayhem. is live on project-gallery.com until May 22nd, 2024. You can view the exhibition [here](#). More of lumierebelge's work can be found on their Instagram [@lumierebelge](#) and on their website at inprnt.com/gallery/lumierebelge/ which also has prints of select works available for purchase.
