New York City, N.Y., June 14, 2022 | Project Gallery V presents *wet dream*: the Summer Open Call Exhibition 2022 with artworks by 12 different artists.

*light through vertical blinds in the afternoon sun
landing on their back
an ashtray burning like the cigarettes it holds
graphing the end of a relationship, some edges hazy..
the gates on your grandma's windows, the gate you open to your friends
house
broken picture frame, tender memory, being someone you're not
drawing with your cousins, your sibling
mint ice cream, crisp, clean, fresh, new growth
online clipping copied in my notes app, I look back at it sometimes
playing tic tac toe, cross-stitching on the couch
new pictures on aged paper,
balancing frequency waves symmetrical angles and POV
a haunting face, engrained and buried deep*

*Entre todos textura brinde un reconocimiento, dandole piel de gallina
al mirador*

The works selected for the summer open call are tied through a theme of bliss and longing. Spanning nature, cultural icons, architecture, memory, and desire, the artists selected represent a wide range of perspectives, inquiry processes, and mediums.
